TERMS

Guarantee—Cows safe in calf or with calves at foot show evidence of breeding and no other guarantee is given. All other cows and heifers sixteen months of age or older shall prove to be in calf or get in calf, but if they do not after reasonable trial period, they can be returned and another animal of equal value will be given in exchange or the purchase money refunded, purchaser paying freight. Bulls are guaranteed under the same terms. Complaints to be made within four months of the date of sale. We are not offering any animals which we consider doubtful.

Cattle are sold subject to sixty day retest by federal authorities or deputy state veterinarians, provided they are segregated from other stock in the meanwhile. This is a federal accredited herd.

Terms—Cash unless otherwise arranged before the sale. Settlement is to be made with the clerk of the sale immediately at the conclusion of the auction. The cattle are at the buyers risk as soon as sold but will be loaded on cars free of charge to the buyer.

Freight Rates—One half regular freight rates apply on most Illinois Railroads by attaching certificate of registration to way bill at time of shipping.

In making this sale of our herd, we realize that we are selling a valuable foundation that would increase very much in profit making in the next few years. The untimely death of Mrs. M. J. England is responsible for our retiring from the Shorthorn business and disposing of our herd. It was she who took the greatest interest in the cattle and who was largely responsible for the splendid progress the herd was making.

We are offering only those cattle that are sure breeders and that we know will make a profit for the buyers. The few doubtful animals in the herd have been disposed of otherwise. For this reason our guarantees are full and complete. The herd is accredited and we can assure those who buy that they will not be disappointed in their purchases. A considerable number of those to be sold are show animals that have won for us highest honors. Others will win if shown. But of one thing the purchaser may be sure, every one is a first class breeding animal.
